DR. JAMES GEMMELL, *President*

As the college graduate reflects on his undergraduate days, he recognizes the extent to which they have shaped his present hopes. During his undergraduate search for love and beauty, for relatedness and self-fulfillment, he learned to challenge custom and to break with tradition. The search has no end, for after each achievement we must renew our efforts. May each of you be vouchsafed the light you will need to plot your course to the desired shore. God speed!

The image is an abstract graphic design. It features a large, irregular watercolor wash in shades of grey and black, which serves as a background for the text. The text 'UNDER CLASS MEN' is written in a bold, black, sans-serif font, arranged in three lines. The text is contained within a rectangular frame that is partially obscured by the watercolor wash. Several thick, black, brush-like strokes sweep across the composition, adding a sense of movement and depth. At the bottom center, there are three vertical black bars of varying heights, resembling a stylized signature or a decorative element. The overall aesthetic is modern and expressive, combining organic watercolor textures with sharp, geometric lines.

A black and white artistic drawing of a landscape. The scene is rendered with dark, textured strokes, possibly charcoal or heavy pencil, against a white background. In the foreground, a banner with a torn, irregular edge is stretched across the frame. The banner is white with the words "VENANGO CAMPUS" written in a bold, black, sans-serif font. The background shows a hazy, mountainous landscape with dark, textured areas representing hills or trees. A thin, dark line runs across the middle ground, possibly representing a road or a fence. The overall style is abstract and expressive, with a focus on texture and form.

VENANGO CAMPUS

DR. RUSSELL L. V. MORGAN

TO THE STUDENTS OF VENANGO CAMPUS:

This I believe:—Education is that process which helps the individual to take his rightful place in a society, of which he is automatically an integral part.

The process does not make for equality—it cannot—for to begin with the participants possess individual differences representing inequality and, to be sure, their perception of and their reception to the many and varied offerings encountered in the process differ considerably.

This inequality is good, for mediocrity and standardization are not the most acceptable ends for measuring progress.

Pursue your education, yes; but see that in your pursuance you really acquire it, for education is an experience and not a tool.

At the completion of this second year of operation at Venango Campus, some of you have completed your work here and will be leaving to further pursue it elsewhere; others of you will return to us for the coming term to continue that which you have started. I would direct each of you to search yourself and see that you are not found wanting in the real values that make for a productive life.

STUDENT SENATE

The Student Senate's aim is to represent the student body in administrative matters. The major functions of the senate include appropriating the funds of the Clarion Student's Association to the various campus organizations and appointing various students to serve on the Student Affairs Committees. One of the Senate's outstanding projects this year was the establishment of a functioning Student Union Board. The Senate is becoming a vital factor in student government, and, in doing this, asks for the active participation of all Clarion State College students.

CIRCLE K

The Circle K Club is one of the most recent organizations to be initiated to the roster of clubs on Clarion's campus. It was organized four years ago through close affiliation with the Kiwanis Club of Clarion. There is no doubt of the club's distinguished position on the campus which it has earnestly earned during these four years.

The club meets every Monday. Though basically a service organization, the Circle K holds many entertaining social events on campus. Entertainment included Winter Capades, Circle K Presents, and several dances.

This year the Circle K has endeavored to perform many services off the campus. One of these many projects included the maintenance of the Nature Trail in Cook Forest. Also, the Circle K has ushered for various college-community affairs. The club not only emphasizes service and entertainment for the campus, but encourages the personal development of each member by promoting high standards of scholarship, ethical conduct, and campus leadership. For four years now, the Circle K has helped mold the lives of Clarion men.

WOMEN'S HOUSE COUNCIL

The Women's House Council is the governing body which represents the women residents of this college. By directing activities which provide academic and social growth, it strives to help the women live together harmoniously.

By holding floor meetings every Tuesday evening, this group tries to function as representatives of all women residents. Some of the activities we have planned for this year include: Big-Little Sister Halloween Party, faculty coffees throughout the year which enable our women students to become better acquainted with the faculty members, a Christmas Party held by each resident hall for underprivileged children of this area, Christmas Caroling, and a Mother's Day Tea.

The House Council has recently set up a referral board within each hall. This board will aid the women in solving any problem which might arise during the year.

MEN'S HOUSE COUNCIL

Members of the House Council of Ballentine Hall, under the sponsorship of Dr. James C. King, Dean of Men, are elected by the student residents. The function of the House Council is to act as the legislative body of the dormitory. The organization acts as one body with four committees in which each member is active. One of the purposes of the council is to make a better place in which to live and work. One of its chief aims is to promote dormitory leadership. The Council meets regularly to consider ways and means of achieving its goals. It also sponsors various parties and activities throughout the year.

The Student Pennsylvania State Education Association seeks to develop and cultivate such desirable professional qualities as leadership, character, and scholarship among the prospective teachers at Clarion. Its purpose is to instill in its members a thorough knowledge of the teaching profession. This year we are the largest organization on campus with a membership of 418.

FORENSIC

The Forensic Club is made up of young men and women who strive for perfection in the art of public speaking. These members know it takes a lot of planning and preparation to give a speech. They also know that public speaking plays a big role in everyone's success and future. The members this year have attended many debates and are looking forward to a rewarding and eventful coming year.

The aim of the Bios Club is to afford the student a broader prospective in the field of biological science. In order to accomplish this aim, monthly speakers are obtained from other colleges, high schools, communities and our own faculty. These programs range from the practical phase to the technological phase of new development and research.

This year in addition to the regular meetings, the Bios Club is planning several field trips.

The main goal of the *Clarion Call* this year has been to strive toward a more responsible and mature level of journalism. Staff limitation limited publishing the first semester, but the newspaper published bi-monthly the rest of the year. Under the co-editorship of Miss Cathy Jones and Miss Eileen Mangini, the *Call* relied on more pictures, a more "open" layout, and a more serious editorial approach this year. It is hoped that a foundation has been laid for a channel of student opinion through the *Call*. Plans are being made for expanded publication next year. In addition, the *Call* sponsored *Glamour* magazine's "Best Dressed Co-ed" contest at Clarion; another first for the newspaper. The co-editors thank all the staff and other students who actually did help the *Call*, and hope that more will do so next year.

STUDENT CHRISTIAN ASSOCIATION

S.C.A., a non-denominational Christian organization, has made its goal that of setting forth a Christian witness on campus. We encourage attendance in the various Clarion churches for further Christian fellowship. Two of our outstanding programs have been Miss Mabel Hicks, representative of Sky Pilots International, and a film on the life of Mr. John Noble, who escaped Soviet prison camps, plus the opportunity to hear him in person. Other meetings have consisted of guest speakers, Bible charades, panels, singspirations, and special holiday services. We have had a chaplain each month provided by the Ministerial Association of Clarion to assist with the devotional guidance of all members.

The Newman Club was established at Clarion State College for the purpose of enlightening the minds of the Catholic students on a secular campus. The spiritual and social growth of all Catholics is increased through the various club activities. The Clarion State College Newman Club is dedicated to Our Lady of Wisdom. Initiation of new members was held October 10, and on October 31 a Halloween Dance and Social was held. Programs for the regular Wednesday night meeting include out-of-town speakers, lectures by the Chaplain, panel and group discussions, and motion pictures. Other activities in which we participate during the course of the year are the Monthly Communion Breakfast for First Friday, Christmas Caroling, Coffee Klatch, May Crowning, Dinner and Awards Night, and the Student's Dialogue Mass.

The weary Sequelle Staff during the photographing of senior pictures.

Layouts, dummies, write-ups, campus shots, senior photos, misspelled last names, and deadlines all are a part of the Sequelle Staffs' nemesis. Twelve students composed of juniors, sophomores, and one lone Frosh, under the sponsorship of Mr. Pearce and Mr. Shofestall worked long hours every Tuesday night for seven months to produce the 1963 Sequelle. Science Hall was the home of this dedicated staff. As each layout was completed and each deadline met, the Sequelle staff came nearer and nearer to their goal. Now before you is the results of our efforts. One hundred and eighty-four pages of athletics, seniors, campus shots, snow sculpture, fraternities and sororities and their write-ups. We, the 1963 Sequelle Staff hope our efforts are worthy of your praise.

MUSIC!
DRAMA!

A CAPPELLA CHOIR

The A Cappella Choir of Clarion State College serves a two-fold purpose as a performing group. Its primary purpose is to enrich the cultural life of the campus by presenting artistic performances for the faculty and students of the college. Such performances have included *Amahl and the Night Visitors*, by Menotti; *The Messiah* by Handel; *The Creation* by Franz Joseph Haydn, which was performed last Christmas; and the *Requiem Mass* by Cherubini, which was performed just before the 1963 Easter vacation. Projected productions include a performance of Mendelssohn's *Elijah* and a one-act opera.

The secondary function of the choir is to serve the community of Clarion as well as Western Pennsylvania as a touring organization. In this respect, the A Cappella Choir has a long and distinguished history. For over twenty years, the group has presented concerts in high schools and churches throughout the Commonwealth. It has appeared in Pittsburgh, Erie, and other communities, on television and radio. The members of the choir rehearse three evenings a week under the direction of William M. McDonald.

Mr. Hugh Ross guest conducts as Clarion State hosts Intercollegiate Choir.

"The Creation"

CONCERT BAND

Seventy instrumentalists comprise the Clarion State College Concert Band which is under the direction of Mr. Stanley F. Michalski Jr.

Activities of the year included concerts given at the college, appearances at community events, and an annual tour of high schools in the Cochranton-Conneaut Lake Area. The Concert Band studies and performs standard overtures, suites, and symphonic movements of the great masters. Works by contemporary composers are also examined and performed accordingly. Adequate technical facility, ability to read music readily and a feeling for genuine interpretive skills are emphasized.

The guest appearance of Mr. Robert Lowry was a highlight of the band's concert season. Mr. Lowry, a clarinet virtuoso, exhibited his talents at a concert played by the band in which he performed as soloist.

GOLDEN EAGLE MARCHING BAND

The Golden Eagle Marching Band was successful in another outstanding year in their performance of interesting formations and marching procedures. Directed by Mr. Stanley F. Michalski, Jr., the marching band presented half-time demonstrations at all the home football games and gave a special feature show for the Homecoming Queen.

Parade appearances included the lead position in the Autumn Leaf Festival Parade in October and the Annual Vengango Homecoming Parade in Oil City.

COLLEGE PLAYERS

The aims of College Players is to stimulate dramatic and production talents through experience on stage, back stage and out front; to broaden the cultural background and appreciate in our fellow students; and to provide that satisfaction, experience, and enjoyment that comes from participation in good theater.

Activities for the past year included; "A Distant Bell," "A Streetcar Named Desire," "Tall Story," "A View From The Bridge," and "Twelfth Night." There was also the Ritual of Initiation last spring for new members with awards presented to outstanding students of the combined play productions.

THE GREEKS

PANHELLENIC COUNCIL

Panhellenic Council acts as a governing body for the five sororities on campus. Aside from the council's work towards promotion of Greek spirit on our campus, Panhellenic sponsors several other events during the year. Among these are the Panhellenic Reception, orientation meeting for freshmen, and rushing. In addition, a Greek Sing and the Pre-Easter Formal are co-sponsored with the Interfraternity Council.

The Panhellenic Council is comprised of an active member and a silent member elected from each of the five sororities on campus. This year the council is under the sponsorship of Miss Clesta Dickson with Miss Pat Reiter as president.

Row 1: Pat Reiter—President, Karen Wolfe—Vice-President, Sarah Willowby—Secretary, Ruth Ann Land—Treasurer, Kathie Broadhurst—Social Chairman. Row 2: Miss Clesta L. Dickson—Sponsor.

Dr. Darrell F. Rishel—Sponsor. Frank J. Miller—President, Dennis R. Kukulski—Secretary, Lee Chew—Vice-President.

The Interfraternity Council is made up of two members from each of the six fraternities on Clarion State College's Campus. The Council's membership this year consists of: Phi Sigma Epsilon, Lee Chew and Larry Hynes; Sigma Tau Gamma, Paul Stack and Darrel Sheraw; Alpha Gamma Phi, Dick Baker and Frank Miller; Theta Xi, James Weber and Gerald Frantz; and Theta Chi, Denny Kukulski and Jack McGee. The organization is under the guidance of Dr. Rishel, who is the Dean of Students. The Council acts as a lawmaking and problem-solving body for the fraternities on campus. Under its constitution, the Council regulates the quality point average required of pledges and the other pledging activities of the fraternities. It also handles fraternity violations and tries to solve any problems that the individual fraternities may have.

The Interfraternity Council also governs the establishment of new fraternities on Clarion's campus and controls the rules for formal rushing of new men. The Council also adds to the social life of the Clarion students by sponsoring a Pre-Easter Dance. With the cooperation of member fraternities and the Panhellenic Council, the Interfraternity Council also has high hopes of holding other social events which will benefit the entire student body.

BETA CHI UPSILON

One of the two local sororities on campus, Beta Chi Upsilon, celebrated its third anniversary on November 2, 1962. The Beta Chi's wear rose and white and their purpose is to lend a helping hand and a friendly smile. They participate in many events during the school year including Homecoming Parade, Fall Rushing, Panhellenic Halloween Tea, an annual Christmas party, Spring Rushing, Greek Sing, Miss C.S.C. contest, and an annual Mother's Day Tea for mothers of members and alumnae of the sorority. We are proud to have had Patricia Reiter as president of the Panhellenic Council this year.

DELTA ZETA

Epsilon Theta chapter of Delta Zeta national sorority represents one of 142 collegiate chapters, making Delta Zeta the largest national social sorority in the United States. We at Clarion are proud to be a part of the nationwide chain of friendship and strive to unite our members in the pursuit of knowledge, and to promote the moral and social culture of our members. The Delts sponsor various activities throughout the year, including rush parties, Alumni Tea, Christmas Party, Greek Sing (competition in which we won first place last year), philanthropic projects, Spring Banquet and Mother's Day Tea. We were very honored this year to have Peggy Corle chosen Miss CSC and Autumn Leaf Festival Queen. Homecoming also brought special honors to several sisters—pink roses to Charlene Benninghoff, Homecoming Queen; Diane McElrath, Bonnie Harkness, and Dana Zook, Attendants; Karen Dwyer, Sigma Tau Gamma Queen; and Joyce Maruski, Phi Sigma Epsilon Queen. Recognized on campus by their white blazers with green piping, the Delta Zetas are also found in drama, and music, the Dean's List, on the cheerleading squad, and among the majorettes.

Our white blazers with navy piping distinguish us as sisters of the Sigma Delta Phi Sorority. Ours is the oldest sorority on Clarion's campus, and our purpose is to promote a sisterly feeling among our members. We stress courtesy, friendliness, sense of responsibility, tolerance, truthfulness, and trustfulness. The "Sig Delt" calendar this year was filled, as our sisters participated in events such as the Homecoming Parade, Cook Forest Weekend, Mother's Day Tea, Alumni Tea, Christmas Party, and, of course, our rush parties. One of our annual projects is to provide a needy family of Clarion with gifts and food at the Christmas season. We point with pride to our loyalty to one another as sisters, to our devotion to the college and its traditions, and to our alumnae.

SIGMA SIGMA SIGMA

The Alpha Pi Chapter of Sigma Sigma Sigma, founded in 1935, is the oldest national sorority on Clarion's Campus. We, the sisters of Tri Sigma strive for high scholastic attainments, high morals, and a well-rounded social life. The girls in the purple and white do many things throughout their school year to attain these aims. These include the Homecoming Tea and float (which we are proud to say won first prize this year), Charm School, Cook Forest Weekend in the spring, Mother's Day Tea, Founder's Day Banquet, Greek Sing, Senior Send-On and, of course, our rush parties. Because "Sigma Serves Children" there is a polio research hospital in North Carolina, Robbie Page Memorial Hospital, which is maintained by Tri Sigma. For this reason we have many money raising campaigns, bake sales, and the sale of candle sticks. This year we gave a book to the Clarion Library as one of our "Sigma Serves Children" projects along with our Christmas project which involved sending school supplies to the Peace Corps. Purple violets are sent to Diane Rich, who was honored as Sigma Tau Gamma White Rose Queen and also to Jeanie Heinick, our Homecoming Queen Attendant.

The Delta Iota Chapter of Zeta Tau Alpha International Women's Fraternity is ever striving for the establishment of a perpetual bond of friendship and the promotion of happiness among its members. Zeta's high aims include the preparation for life through character building, the development of the individual, and the promotion of the spirit of love and service. This year we have attained this happiness by cooperating during the Homecoming festivities, by promoting a dinner-dance, Christmas party, various teas, sorority week-ends, rush parties, and various service projects to benefit the campus and surrounding community. As one of the founders' original aims that has remained with the fraternity throughout the years, our Delta Iota Chapter is continuing to build up a "purer and nobler womanhood" on Clarion's campus.

Alpha Gamma Phi, the oldest fraternity on campus, holds as its ideals: fellowship, scholarship, and character. Ever since their founding on March 3, 1930, the Gammas have carried on the tradition of being one of the schools most active organizations. Some of the activities of the Gammas are: Entering a float in the annual Homecoming Day parade, spring and fall Rush Parties, Alumni Banquet, participation in the annual Greek sing, and various other formal and informal social events.

KAPPA RHO

Kappa Rho, the newest fraternity on Clarion State's campus was granted its charter by Interfraternity Council on November of 1962. Founded for the purpose of promoting intellectual, spiritual, social, and physical development of its members, Kappa Rho has been quite active in its first year of existence. Activities such as participation in Autumn Leaf Festival, Intramural Sports Program, Christmas Party with Sigma Delta Phi, participation in Winter Capades with queen candidate, Miss Bonnie Brown, the winner; hospital medical library drive; spring formal and several others highlighted the year for the new group. Although presently a local fraternity, Kappa Rho is making plans for the eventual affiliation with a national. This year the brothers of Kappa Rho endorsed a policy of being both a social and a service organization and have endeavored to fulfill to the greatest degree the obligations set up by that policy. At the completion of its first year of organization, Kappa Rho is deeply indebted to the many faculty and administration members, students and townspeople who have all contributed to the success of this new group.

Phi Sigma Epsilon is a national social fraternity which was founded in February, 1910. It has been a member of the National Interfraternity Conference since 1952. The main objective of Phi Sigma Epsilon is to promote a closer bond among men students of higher educational institutions, so that they might enter into more intimate fellowship with those dedicated to education and a better understanding of men. Phi Sigma Epsilon installed its Phi Eta Chapter at Clarion State College on January 31, 1959. Clarion's Phi Sigs started the year off with a bang—the bang coming from our cannon which we used to stir enthusiasm at the football games. Our entry in the Homecoming float competition, "Made in Japan," received honorable mention. Miss Joyce Maruski reigned as our "Tea Rose Queen" throughout the year. Parties for Halloween, Thanksgiving, and Christmas were among our social functions. The rushing and pledging procedures were an important part of both semesters activities. The Brothers of Phi Sigma Epsilon owe a special debt of gratitude to Professor Frank M. Campbell for his friendship and guidance which so greatly contributed to the success of all our social functions. Our annual "Tea Rose Formal" was the colorful climax to one of our most eventful and successful years.

Since it was founded in 1920, Sigma Tau Gamma has as its objectives intellectual pursuit, cultural attainment, and social competency. Being primarily a social fraternity, we sponsor and participate actively in a number of social functions. In the fall we take best advantage of the weather by promoting several open-air parties. We are also active in inter-collegiate and inter-fraternity sports. With the coming of the Autumn Leaf Festival and Homecoming, we are busily engaged in parade float competition. In November we have our Fall Rush Party and initiation of upper classmen. Until warm weather returns, we sponsor a series of house parties. Winter finds Sigma Tau Gamma active in snow sculpturing for the Winter Capades, competition in which we took third place last year. Spring activities include Greek Night, Open House, Alumni Day, the Spring Rush Party, initiation of freshmen, and a number of costume parties. As the high light of the spring semester Sigma Tau Gamma holds its annual White Rose Ball.

THETA CHI

The men of Epsilon Xi Chapter of Theta Chi National Fraternity, the seventh largest national social fraternity in the United States, diligently strive to develop a high level of leadership and citizenship, to create a keen sense of responsibility, to foster high ideals, to encourage social and democratic living, to promote high standards of scholarship, to encourage high standards of ethical and moral conduct among the brothers, and to work cooperatively and constructively with the administrative staffs of the college and the community.

Theta Chi opened its activities this year with the selection of Miss Kathy Benish as the Dream Girl of Theta Chi. Miss Benish will represent Epsilon Xi Chapter in all campus activities during the 1962-63 school year. Other festivities of Epsilon Xi Chapter include the Homecoming Parents' Reception, a Halloween Dance, the Founders' Day Banquet on December 10, the Red Carnation Banquet and Dance during the second semester, rush parties, pledge parties, competition in the intramural sports league, and the Regional Corral.

From the leadership workshop to all campus social and intellectual activities, the brothers manifest a dynamic spirit for high achievements in these events, thereby serving as an example to all their fellow students. For many years the men of this organization have been molding the lives of Clarion graduates.

PHI SIGMA PI

Phi Sigma Pi is a professional education fraternity for men in teacher training institutions, founded upon a basis of superior scholarship and with the avowed purpose of advancing educational ideals. It exists to meet the needs of close fellowship and social intercourse among men of like ideals, interested in the same end and striving for a higher social expression. In doing this, it strives to inculcate and encourage the acquisition and dissemination of knowledge, to apply professional skill in promoting the welfare of the race, and to foster fraternal fellowship within its ranks.

In the 1962-63 football season, the Golden Eagles of Clarion State College finished their season with an over-all record of 4 wins with 4 losses. In a State College Conference competition, Clarion had a record of 3 wins and 3 losses. One unusual aspect of the squad was that there were no Seniors on the team roster. Along with this, there were only ten Juniors on the squad, the remaining players were Sophomore and Freshmen. Team Co-captains for the season were Half-back Steve Predjano and Defensive End Scotty Wentzel. Both players are Juniors and are both from Hempfield Area. Homecoming at Clarion State College found the "Golden Eagles" playing host to Edinboro State College. The game was a real thriller with Clarion winning in the final 54 seconds by a score of 21 to 20. The coaching staff of the 1962-63 football season was headed by Ernest "Turk" Johnson, who was assisted by Joseph Knowles, Frank Lignelli, Alan Curry, and John Joy.

VARSIITY C

The Varsity C Club of Clarion State College is composed of all boys who have lettered in a varsity sport. Under the sponsorship of Mr. Lignelli, this club is one of the most active clubs on campus. The club purchases letter jackets for all boys who have lettered four years in a varsity sport. First year lettermen receive letters; second year men receive blazers; third year men receive sweaters, and fourth year men receive jackets. Money for these awards is raised by such activities as selling refreshments at football and basketball games, selling of homecoming pins, and by student body and faculty contributions through booster sales.

The Varsity C also sponsors an All-Sports Banquet in the spring, to which members and guests are invited. Awards are given at this time and special tribute is paid to outstanding athletes who have graduated from Clarion State College.

CAMPUS

SECTION

Clarion State from on high.

Crossroads to success.

It might as well be spring.

Anyone remember this entrance?

Our living and studying conditions; Given Hall

Self-explanatory

Our major: Social Studies; Unionizing, that is.

Be still, now; the show must go on.

What is it?

Play along with Michalski.

Go, team go!

Enjoying your evening meal?

Don't leave, yet. We've just begun to fight.

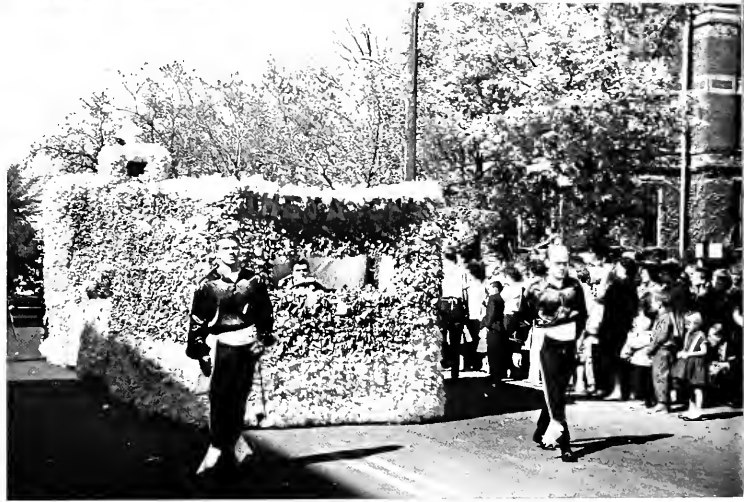

Clarion's "built-a-home" kit, including workers.

$(25 \text{ ml}) (0.200 \text{ N NaOH}) = (15 \text{ ml}) (0.333 \text{ N HCl})$ Correct?
